

Preliminary eye test (for Air Traffic Controller recruitment/selection)

Anyone wishing to become an Air Traffic Controller must meet the medical requirements specified by Euro-control in its European Class 3 Medical Certification of Air Traffic Controllers directive. To this end, you must have your eyes tested by an optician or an ophthalmologist/optometrist. They must complete this form in full and it must be included in your application. The costs for the examination(s) must be carried by you.

Name:	Address:
First name:	Date of birth:

1 Examination findings

	No	Yes	Type of spectacles or contact lenses
Spectacles			<input type="checkbox"/> unifocal <input type="checkbox"/> half eye <input type="checkbox"/> bi-/trifocal <input type="checkbox"/> progressive
Contact lenses			<input type="checkbox"/> unifocal <input type="checkbox"/> bi-/trifocal (not allowed)
	No	Yes	Additional information
Binocular vision

Add the documents to your online application.

2 Distant vision

	Uncorrected		Spectacles	Contact lenses
R (min 0.7)		corrected to		
L (min 0.7)		corrected to		
Both eyes (min 1.0)		corrected to		

3 Near vision

30-50 cm	Uncorrected		Spectacles	Contact lenses
R (min 0.7)		corrected to		
L (min 0.7)		corrected to		
Both eyes (min 1.0)		corrected to		

4 Current visual correction

(Wearers of contact lenses, please insert the values for both lenses and glasses)

Spectacles	R(OD)	L(OS)	Contact lenses	R(OD)	L(OS)
SPH			SPH		
CYL			CYL		
AX			AX		
ADD			ADD		

Accepted values for spectacles and/or contact lenses:
 Max. SPH correction +5.0/-6.0 dpt
 Max. CYL correction +/-3.0 dpt
 Max. Anisométrie 3.0 dpt

5 Ocular muscle balance

Normal:	Distant 6 m	Hyper: max. 2 dioptries	Eso: max. 10 dioptries	Exo: max. 8 dioptries
<input type="checkbox"/> Yes <input type="checkbox"/> No ¹	Near 33 cm	Hyper: max. 1 dioptries	Eso: max. 8 dioptries	Exo: max. 12 dioptries

¹ If Normal is "No", values in the columns "Hyper", "Eso", "Exo" are mandatory

6 Relevant medical history

Defective vision, eye-related illnesses, eye surgery (please include the documents for the eye values *before* surgery & the surgery report).

7 Place and date:

Stamp and signature of medical examiner:
